SESHA '10 EXHIBITS

SESHA's Annual International High Technology ESH Symposium and Exhibition is the semiconductor industry's leading forum for advanced technology, attracting decision-makers who need to know where the industry is heading. SESH A 2010 will attract environmental managers, safety engineers, industrial hygienists, occupational health professionals, directors of ESH, consultants, health and safety managers, facilities and operational staff and more.

By exhibiting at the 32nd Annual International High Technology ESH Symposium and Exhibition, your company will enjoy exclusive access to the SESH A membership as well as non-member attendees. The attendees represent many disciplines of the high technology industry including environmental, safety, industrial hygiene and facilities engineering.

The SESH A Annual International High Technology ESH Symposium and Exhibition is the perfect venue for you to network, promote your products, develop brand loyalty and distribute information. You can talk face-to-face with your most important clients, customers and buyers.

Because it's a tie to future business. The message of a well-designed exhibit helps you develop new leads while increasing the educational value of the meeting for attendees. Get your message across to decision makers in the high-tech industry at the SESH A Annual Symposium.

For more information, an exhibitor prospectus or to sign up for a booth, visit our website or contact Lori Strong at LStrong@BurkInc.com or 703-790-1745, ext 15.
